

18th UKPHA Annual Public Health Forum
Bournemouth International Conference Centre 24-25 March 2010
"Confronting the Public Health Crisis- global issues, local actions"

Outline Conference Programme with list of Posters

22 January 2010

The tables below list the 400 abstracts accepted for oral or poster presentation at the 18th UKPHA Annual Public Health Forum.

Please note that changes to the programme may occur owing to withdrawals by presenters or other factors beyond the organisers' control. We will update the website at intervals if changes occur.

Although the scope for change is limited at this stage, comments on the programme are always welcome, to Donald Reid at Dreidd@aol.com.

Requests for Chairs. We also welcome offers from UKPHA members who are attending the conference, to chair parallel sessions. Please contact Donald Reid with offers to chair, stating your preferences for sessions. We are sorry that can't offer any reduction in the fees for your services as session chair, but a full briefing will be provided.

Chairs are not required for 90 minute workshops.
